

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is an abuse of the public airwaves.

I believe this must be stopped. Not to limit free speech, but to ensure that Sinclair provides balanced coverage on the issues that are important to the electorate.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
